

VOLTAGE BASEBALL CLUB · MAPLE VALLEY, WA

BUILDING PLAYERS, CHARACTER & COMMUNITY.

A PROGRAM BUILT ON RESPECT

Hi!

Voltage Baseball Club is a 10U travel baseball program built for the development of young athletes, around a simple idea: kids should love the game, grow as players, and be part of a team that feels like family. We wanted to share what we do here in Maple Valley, and invite you to be a part of it.

MORE THAN A TEAM

We celebrate effort and improvement, not just outcomes, and hold every player to a high standard because we believe in them. Along the way we foster character, raising driven, kind young people who become good teammates and strong members of our community.

HOW WE TRAIN

We take baseline measurements, set metrics and skills-based goals, and build training plans around the data and our coaches' 25 years of combined experience. Our coaches are unpaid volunteers, including former college athletes, here for one reason: to help kids.

OPEN TO EVERY KID

Travel baseball shouldn't break the bank. We keep fees lower than most travel programs, spread payments across the season, and work with any family for whom cost is a barrier. Community support is what makes that possible.

ROOTED IN OUR COMMUNITY

This summer we ran six free Sandlot Days at Tahoma Elementary's upper field: drop-in baseball for any local kid, with no team, tryout or fee. Giving back to Maple Valley is part of who we are.

If you'd like to be part of it, we'd love to talk about how a business or a family can support our kids this season. Our sponsorship flyer has the details, or just reach out. Thank you for your time and your support of Maple Valley kids.

Warmly,

Coach Amy & the VBC coaches
